Re: Henrietta Eaton vs. Federal National Mortgage Association
SJC-11 041

Dear Justices of the Massachusetts Supreme Judicial Court:

This letter is written, and respectfully submitted in Response to the "Amicus Letter" dated December 9, 2011, which was delivered to this Court by the Co-Chair of the Amicus Committee of the Real Estate Bar Association ("REBA") and the Abstract Club, in order to place the decision of the Land Court in *Wells Fargo Bank, N.A. v. Suzette McKenna*, No. 11 MISC 447455, in proper perspective.

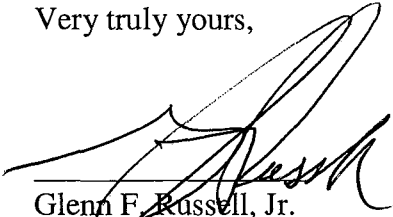

Subsequent to the submission of the Amicus letter by REBA, I as attorney of record for the Plaintiff, Suzette McKenna in No. 11 MISC 447455, submitted a Motion for Reconsideration to the Land Court under Rule 9 of the Rules of The Land Court, challenging the legal reasoning included by the Court at Footnote 1 of this Servicemembers complaint Entry of Judgment. Please see the Plaintiff, Suzette McKenna's Motion for Reconsideration attached, which was sent USPS Postage Pre-paid to the Land Court on January 10, 2012.

Additionally, case No. SJC-11041, currently under review by this court, directly impacts

other interested parties with cases currently also currently before this Court (*HSBC Bank, et.al. v. Jodi B. Matt* SJC-11101), and the Appeals Court (*Galiastro v. MERS* 2011-P-0312), who are also under my representation.

Please kindly acknowledge receipt of this letter. Thank you for your attention to this matter, and please do not hesitate to contact me if you have any questions.

Very truly yours,

A handwritten signature in black ink, appearing to read "Glenn F. Russell, Jr.", written over a horizontal line.
